Dr. Alex will be opening this seminar with a short introduction covering:

- The importance of Chiropractic
- Solutions to chronic back pain
- How to avoid back surgery

- ◆ Do you have unresolved health problems?
- ◆ Do you know someone who hasn't found out the "why" to their health issues?
- ◆ Do you want real solutions to you or a loved ones health issues?

Then you should attend this seminar!

In general there is a lot of false information that we are bombarded with on a daily basis from many sources, including the media and our current health care system. In this seminar the doctors will cover why so many people don't find solutions to their health issues through traditional medicine and how you can achieve real health without drugs or surgery!
